DETAILED ACTION

1. Claims 71, 72, and 82-101 are currently pending and examined on the merits.

Continued Examination Under 37 CFR 1.114

2. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on February 16, 2005 has been entered.

Allowable Subject Matter

3. Claims 71, 72, and 82-101 are allowed over the prior art of record. The following is an examiner's statement of reasons for allowance:

It is known in the art to provide temporary protective coverings to protective a glass surface from mechanical and chemical damage. The closest prior art of record teaches the use of temporary coatings that are based on polymeric coatings that are peeled off. The prior art of record does not teach or suggest that the temporary coating is able to withstand glass tempering but then is removed by washing it off.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
